We have 8 full time personnel in the capacity of a Fire Chief, 3 Assistant Fire Chiefs, and 4 Engineer/Firefighters and we have 12 paid reserve firefighters. The Macon Fire Department has attained an ISO rating of class 4.

We have 3, 24 hours shifts with 2 men on duty and the eighth man picks up the vacation days and other days. The Fire Chief works Monday through Friday. At this time our primary job is fire education, fire inspections, and suppression.
