

Macon County Online GIS

Macon County Online GIS is now available to the public.

[Click here to access.](#)

Public Non-Subscriber Access is available along with subscriptions on a monthly or yearly basis that provides access to more depth information.

Public Non- Subscriber Access Includes:

- Owner Name
- Owner Address
- Situs Address
- Parcel Number
- Tax District Layers
- Appraised and Assessed Value
- Aerial Map

Subscriber Access Includes:

- All Public Non-subscriber access information
- Previous Owners (up to 4)
- Year Built
- Square Footage
- Book and Page
- Tax Amount
- Current Tax Statement

To Access Zoning:

- Zoom in on the map to where it only shows Macon County.
- On the left-hand side of the screen in the "Layers" tool scroll down until you see "Jurisdiction."
- Make sure "Jurisdiction" is check-marked then scroll down and check-mark "Zoning."
- An icon will appear in-between the check-mark and the word "Zoning."
- Click the icon and it will provide the Zoning District Key.

Subscribe at any time.
